

PUBLIC SPEAKING

Bede’s Public Speaking Academy offers students the opportunity to improve their English speaking in front of their peers. The Academy will give students confidence to speak freely and improve their communication in English.

FURTHER INFORMATION

This academy is a great opportunity for speaking exam test-takers who may wish to enhance their exam courses with extra practice on improving their speaking techniques for exam preparation.

OBJECTIVES

- To gain an insight into how to address people when speaking publicly
- To acquire an understanding of some of the key communication skills when publicly speaking
- To discover the benefits of the practical approach of addressing multiple people
- To use a wider variety of vocabulary when speaking publicly
- To become more confident when speaking publicly
- To learn to coherently present oral arguments within a given time frame
- To understand how to use your voice and body language to enhance your presentation
- To enhance flexibility and rapidity of thought in English
- To develop fluency in English
- To improve vocabulary and diction in English
- To increase self-confidence in your communication skills.
