

English THROUGH™

# + Music

We believe that music, like English, is a universal language, but like any language it can only be appreciated by those that will engage with it. By collaborating with other musicians, we offer this opportunity."

EXSPORTISE HEAD OF MUSIC

Whether students play a musical instrument or like to sing, we have the right music programme for them. At Exsportise, students can improve their skills while learning alongside talented musicians from around the world.

Our music team are professional musicians as well as experienced teachers. They are passionate about music and encourage students to express themselves freely whilst having fun.

We offer a generous average teaching ratio of 1:8, which allows our teachers to focus on individual students' strengths and provide them with the attention they require.

> OUR OBJECTIVE IS....  
to inspire students to express their individuality and creativity as well as train them to work together as a band.

Our sessions are in groups and include musical games, songwriting and recording. For more experienced musicians, we may supplement the programme with specialist tutorials according to requirements and by pre-arrangement.

With a focus on popular contemporary musical styles such as Pop, Rock, Funk, Soul and Jazz, we aim to inspire students to express their individuality and creativity as well as train them to work together as a band.

**At the end of every week, the students perform for the whole camp. Together, we choose the songs we love most and rehearse them over the course of the week. NB: Students require a minimum of one year's instrumental tuition.**
