## COURSES

### Program Elements:

**Element 1: Macros** - Instead of having a teacher stand up front and deliver you content, Macros put you in real-world contexts where you work alongside your classmates in teams to solve actual challenges that organizations in the community are facing

**Element 2: Micros** - Think of Micros as a playlist of projects that you create throughout your semesters to pursue depth, passions, and mastery. They are short bursts of action with a clear focus. Most Micros stretch a few weeks and focus on a specific skill or content area.

**Element 3: Wayfinding** - At the Mastery School, you'll meet regularly with your Wayfinding Mentor and a group of other students

- To process all that you're learning.
- To chart your course and identify the next stop on your gradient ascent.
- And to reflect on what your learning means for your journey.

**Element 4: Intensives** - During Intensives, students take one class all day, every day for three weeks. They happen twice a year — before our winter and summer breaks.
