ADDITIONAL INFORMATION

Student Dormitories

Our school has three dormitory buildings, each with quiet study areas and student lounges on every floor. A crucial aspect of the boarding experience is living alongside fellow students, and learning how to cultivate independence, time management, and collaboration skills. You will share your living space with one to two roommates from different countries, providing you with an opportunity to speak English and learn a new culture while sharing your own.

Resident supervisors live with the students, offering support and supervision 24/7. In addition to study halls and tutoring, dorms and community living groups regularly organize activities to enhance a sense of community belonging.

ACTIVITIES

Athletics

- Cross Country, Soccer, Strength and Conditioning, Swimming, Tennis, Volleyball, Hockey, Sailing, Basketball, Wrestling, Badminton, Baseball, Lacrosse and many more

Extra-Curricular Activities

- The Stony Brook School's dynamic campus offers diverse extracurricular activities, from adventurous pursuits with the Outdoor Adventure Club to spirited events like the Gingerbread Bear Run. Biannual Spirit Week and Class Challenges promote friendly competition, and the International Festival celebrates the school's diversity. The year concludes with the glamorous Prom, while Chapel services and Friday Gatherings maintain a structured spiritual rhythm. These dynamic extracurriculars enrich the Stony Brook experience, reflecting the school's commitment to a holistic education.

ADDITIONAL INFORMATION

ARTS AND SPORTS

- At The Stony Brook School, the arts and athletics are integral to a holistic education. In the visual and performing arts, students explore the world through creation, with a focus on music and a state-of-the-art facility. Theatre involvement enhances perception and commitment. Academics and athletics coexist, challenging students to excel in both. Athletes learn life lessons on sacrifice, perseverance, and responsibility. As a member of NYSAIS, our student-athletes compete on over twenty teams, emphasizing skill development and sportsmanship.

DORMITORIES AND STUDENT LIFE

- Stony Brook School hosts approximately 200 resident students in seven single-gender halls alongside faculty families. Each hall provides essential amenities like a main lounge, laundry, kitchen area, personal desks, and high-speed WiFi. With a commitment to a safe and comfortable community, the majority of rooms are designed for two students, with options for singles and triples.

Facts

- Grades at School: 8-12, PG
- Students in HS: 195
- Teacher/Student Ratio: 1:8
- School Uniform: YES

Highlights

- Strong arts program with students going on to attend top art schools in the US
- Intensive short-term interest courses
- Close to New York City and the northeast mountains

School Introduction

Founded in 1867 and located on the peak of Storm King Mountain (SKS) in the Hudson River Valley, The Storm King School is less than two hours from New York City. The school's Science Department chair is former NASA scientist Dr. Paul Feffer. SKS offers unique, intensive short-term courses based on student and faculty interests.

School Facilities

The mountaintop campus features a 230-seat professional theater, an observatory with a Newtonian telescope, fully equipped science labs, access to the 3,800-acre Black Rock Forest Consortium, a gymnasium, five tennis courts, a brand-new sports field, a ceramics studio, a greenhouse, private music practice rooms, and a recording studio. The school is in the process of building a brand-new academic center.
