CAMPS**

ENGLAND | SUMMER 2023

The background of the entire page is a photograph of two young football players in red Liverpool kits. They are in a dynamic pose, competing for a green and black football on a grass field. The player in the foreground is on the left, leaning forward with his right foot near the ball. The player behind him is also leaning forward, reaching out with his right arm. In the background, another player in a red kit is visible, slightly out of focus. The scene is set outdoors on a sunny day with trees in the background. A large red diagonal graphic element covers the right side of the page, containing the title and two paragraphs of text.

THE ULTIMATE LIVERPOOL FC EXPERIENCE

Learn to play the Liverpool way in England this summer. Using the same curriculum as the Liverpool FC Academy, players aged 9-17 train with Liverpool FC coaches for 1 or 2 weeks on our residential camps at Repton School, one of the country's leading football schools.

Football Focus camps offer intensive on-field training alongside specially designed workshops. International players can also choose the Football and English programme, combining their training with daily English lessons.

WE ARE LIVERPOOL

International
Academy
United Kingdom

“

“Our LFC International Academies provide young players with an opportunity to develop, learning new techniques and skills, all under the guidance of our coaching staff.

We offer something different and something unique by developing players both on and off the pitch, educating them through experiences that will shape their progression into young adults and giving them skills that can be used throughout their lives.

JÜRGEN KLOPP, MANAGER, LIVERPOOL FC

COACHING

Players follow the same coaching programme as our academy, gaining a true insight into life as a young player at Liverpool FC and being challenged to reach their full potential.

THE LIVERPOOL WAY

Innovative training sessions tailored to age and ability level include individual and group drills, small-sided games and skills challenges. Younger players learn the foundations of the LFC style of play in a fun footballing environment. Older players work on tactical and position-specific principles of the game with intensity at the core of every session.

GOALKEEPER TRAINING

Special camps are available on weeks 17-23 July and 24-30 July for goalkeepers aged 12-17 where goalkeeper coaches work with players on position-specific skills. Goalkeepers are also welcome to join on any other camp.

COACHING TEAM

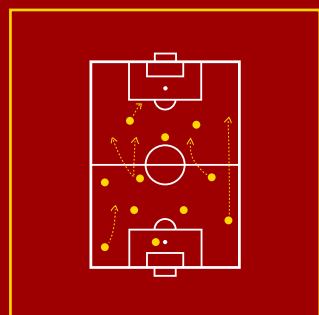

All coaches are assessed, selected, and accredited by the club, chosen for having the distinguished qualities required to coach young players 'The Liverpool Way'.

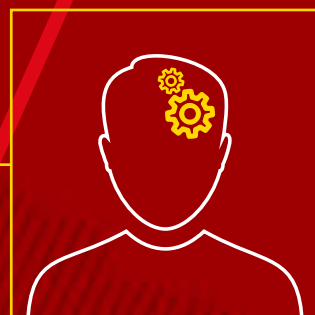

FOOTBALL WORKSHOPS

Off the pitch, coaches host a series of reflective and interactive daily football workshops, giving players the chance to bring a better understanding to their on-field training.

MATCH ANALYSIS

Players delve into the tactical and strategic side of Liverpool's game. Using video footage, they will look at how the first team approach various opposition and achieve success.

PLAYER ANALYSIS

Coaches provide players with further insight into the life of a Liverpool player, covering the social and psychological attributes that contribute to a successful Liverpool team.

NUTRITION

Players learn about the club's approach to nutrition and hydration, understand how players fuel themselves and take away tips and recipes for optimal nutrition at home.

“

I have worked for LFC all around the world, coaching players in the Liverpool Way. Our LFC residential programmes are our flagship offering for players. It is a truly immersive experience that offers an authentic insight into life as an LFC Academy player.”

**STEVEN GILLESPIE, PROGRAMME MANAGER
LIVERPOOL FC INTERNATIONAL ACADEMY**

ENGLISH TEACHING

Our English curriculum inspires students to use their English skills in the real world, helping them to understand and communicate during football training, throughout the camp and into the future. By design, our camps support English learning 24/7 through the complete English environment that every player experiences during their stay.

HOW IT WORKS

An online English grammar and vocabulary test before the camp combined with a speaking assessment on arrival helps place students in the right class for their age and level.

Classes are engineered to focus on general English and sports-related English. Using the topic of sport engages students with a common interest in the classroom and equips them with useful vocabulary for their coaching sessions. Lessons are fun and interactive, using a combination of traditional classroom techniques, active participation and project work.

At the end of each week, students will receive an English progress report, along with some advice from their teacher on how to continue improving their English at home.

THE VENUE

REPTON SCHOOL

Perfectly located between Liverpool and London, Repton School has a reputation as one of England's top football schools, with several pupils going on to pursue professional football careers in recent years.

As you would expect, this private boarding school has exceptional football facilities, alongside a combination of impressive historic buildings and state-of-the-art teaching suites.

Situated in the quiet village of Repton, on the edge of the Peak District National Park, the school enjoys breath-taking views across the English countryside.
