## Location Features

Stoneybatter is a neighbourhood of Dublin, Ireland, on the Northside of the city. Known as one of Dublin's hippest areas, with plenty of dining options, laid-back cafes, sleek restaurants, and independent shops, it brings together all the best bits of Dublin in one small terraced package. The schools' garden is the magnificent Phoenix Park and Stanhope has its own private grounds. Many people refer to it as the oasis in the middle of the city.
