Mini MBA™ can be combined with other courses to make a longer stay
(e.g. add one week of Think Global! or a two week Breaking Digital course)

*"The Mini MBA™ was the most challenging summer course I have ever attended,
but it was also the most fun and interesting experience."*

Flavia, Romania

Special feature: Visit to the Bank of England or the Museum of Brands

Course content:

General topics covered:

- Entrepreneurship, tech & start-ups
- Marketing & products
- Management, organisation & leadership
- Economics & global business

Earlscliffe

Course objectives:

- Creating a prototype of a product which could theoretically be taken to market
- Designing materials to market products in a digital world
- A deeper understanding of the accounting processes and costings of business
- An increased awareness of modern business and start-ups
- Understanding the international economic landscape
- Developing the language skills for presentations, negotiations and meetings
