

# PHOTOGRAPHY

Bede's Photography Academy offers students the opportunity to develop their photography skills in the picture perfect location, Royal Russell. Students will be guided in shooting images, building composition and getting the best shot. They will then have the opportunity to expand their editing skills using software under the instruction of an experienced photographer.

## FURTHER INFORMATION

Please note all students must bring their own DSLR camera. If you do not have one, please contact us for more information.

## OBJECTIVES

- To use a DSLR (Digital Single Lens Reflex) camera creatively using the Manual Mode (i.e. not relying on automatic exposure)
- To understand the essential functions of a DSLR camera (including ISO, aperture, shutter speed and focusing modes) and how to use these to obtain technically competent, creative photographs
- To create attractive, well-composed photographs
- To build an exciting image portfolio
- To establish a wide repertoire of photographic skills
- To expand the capacity for reflection and to develop critical-thinking skills
- To increase your vocabulary relating specifically to photography.
