

Film Making

This course will give you real insight into many aspects of cinematography and the world of film. Whilst being fun and informative you will leave with a real sense of achievement as the two weeks culminate in the screening of your films.

WHAT'S INCLUDED

TUITION

Students will take part in at least 18 hours of practical lectures and skills workshops per week. They will film, edit and present their film to the class.

ACTIVITIES

We offer a variety of onsite evening activities including sports, discos and team games. Our activities provide opportunities for students to have fun and make international friends.

EXCURSIONS

Excursions allow students to really get to know the USA. We use destinations such as Downtown Boston as a classroom, where students will find historic and cultural information through guided walking tours and visits to museums and other places of interest.

CERTIFICATE

Awarded for the successful completion of the course.

Our lecturers are all working professionals who will bring valuable industry experience to the programme.

Through workshops, group projects and practical tasks, you will become acquainted with the skills and knowledge that will serve as a perfect starting point for future education and possible careers in the Film and TV production industry. Throughout the course you will become familiar with storyboarding, visual effects, special effects and animation along with relevant software such as Photoshop, After Effects, and Premiere Pro.
