

Fashion Styling

In this one week course you will research and understand how fashion styling is the modern way of story telling. Fashion plays a key role in how we perform identity and tell our stories. Famous editorials of fashion have gained recognition because of its use of clothing to re-tell stories invented by fashion stylist. Looking at cinematography and nature we will explore how a fashion image is made. Fashion is much more than clothes, it's also about the stories we tell of our identities.
