# THE LIVERPOOL WAY

# CAMP VALUES

At the heart of everything we do on camp are the four core values of Liverpool Football Club: Ambition, Commitment, Dignity, and Unity. These values define what it means to be part of LFC and guide every player, coach, and staff member both on and off the pitch.

Each day on camp gives players the opportunity to live out these values – striving to be their best, showing dedication in training, treating others with respect, and working together as one team.

## AMBITION

**Know that dreams are to be achieved.**

## COMMITMENT

**Put your heart and soul into everything.**

## DIGNITY

**Earn respect through honesty and integrity.**

## UNITY

**Work to bring out the best in each other.**

# DEVELOPMENT CAMP

Each day's coaching focuses on a different LFC player, offering genuine insight into the skills and qualities required to succeed at the club. Innovative training sessions are tailored to age and ability with a focus on individual and group drills, small-sided games, skills challenges, and a weekly tournament.

Each player gets a one-to-one feedback session with their coach at the end of the camp along with an individual report and certificate to take home. Players gain a deeper understanding of their game while experiencing a taste of life in professional football, developing independence and self-confidence in an international training environment.

## AGES 13–17

### THE LIVERPOOL WAY

Coaches challenge players in high-intensity training sessions, which push them to improve technically and tactically. Each day, they focus on position-specific principles of the game with intensity at the core of every session. Players also have a chance to showcase their skills on the pitch with a competitive tournament at the end of the week.

Choose from two camp venues depending on dates and location - Repton School, which has been home to LFC Camps for 5 years and also hosts the Development and Goalkeeper camps, or Radley College, a magnificent venue in the heart of the Oxfordshire countryside closer to London. All players leave with a better understanding of how to improve their game and what it takes to play at the highest level.

# GOALKEEPER CAMP

## AGES 12–17

### THE LIVERPOOL WAY

Working with specialist goalkeeper coaches, players focus on the technical and positional skills required to play as a goalkeeper in the modern game. From distribution to reaction drills, coaches challenge players to develop their individual skills. In the second session of the day, goalkeepers join outfield players for training in competitive game situations.

Goalkeepers can attend this specialist camp from 13th July to 2nd August. Goalkeepers are also welcome to join on any other camp throughout the summer. Players leave with improved knowledge and confidence in their position, along with an understanding of how to apply the Liverpool FC philosophy to their own practice at home.

# ENGLISH TEACHING

Players choosing the Football + English option follow an English curriculum based on Liverpool Football Club each afternoon.

With an emphasis on verbal communication, teachers harness players' passion for football to create a vibrant and engaging classroom where students build confidence to speak the language. Using a project-based approach to learning, students apply their language skills to real-world football scenarios such as coach interviews, debating a dream team and commentating on iconic LFC matches. English teachers and football coaches work closely together to ensure that what is learnt in the classroom complements what is learnt on the pitch.

## How it works

Before camp, an online test is taken to assess students' vocabulary and grammar. On arrival, teachers speak to each student to assess their level and place them in the right class. English is spoken throughout the camp, creating an immersive English learning environment. At the end of each week, teachers complete progress reports for each student along with some advice on how to improve their English at home.

## What's Included:

Up to 13 hours of English lessons per week

1:12 Teacher to student ratio (average)

Individual report to take home

# LFC WORKSHOPS

Off the pitch, players on the Football Focus option follow a series of interactive daily workshops, designed for their age group, giving them a better understanding of the on-field training.

## Workshop examples:

### Match Analysis

Using video footage, players delve into the tactical and strategic side of Liverpool's game.

14

### Player Analysis

Coaches provide players with insight into the social and psychological attributes that contribute to success.

### Nutrition

Players learn how to fuel themselves and take away tips for optimal nutrition at home.

# WEEKLY AWARDS

At the end of each week on camp, we celebrate the hard work and progress of all players, recognising the effort they've put in both on and off the pitch. Special awards are presented to those who have truly embodied the core values of The Liverpool Way. It's our way of recognising dedication, inspiring players, and celebrating the values that make a great LFC player.
