

"For students who are interested in how science, technology, engineering and mathematics (STEM) can be applied in the real world, using Central London as the platform! Students combine STEM with English to improve their accuracy and fluency in an engaging environment. Develop the skills you need to be a world-class STEM professional - thinking critically, working in teams, and linking theory with experimentation."

STEM and English

EDUCATIONAL VISITS

Our educational visits provide the perfect complement to lectures and workshops and provide a real world perspective to our courses. Visits may include The Science Museum.

EXCURSIONS

Full day excursions allow students to really get to know the UK. We use major destinations such as Cambridge as a classroom, where students will find creative and cultural information through guided walks and visits to museums and other places of interest.

CERTIFICATE Awarded for the successful completion of the course.

INNOVATION AND CONVERSATION

COURSE OVERVIEW

Students will take part in interactive lab-based lessons, demonstrations, and science-based English lessons as well as visits to local places of relevant interest based on themes represented in London, like Film and Sport. Interactive Lab-Based lessons including a dissection, combustion of chemicals and designing a car. Visit destinations may include the Science Museum, Olympic Park and London Film Museum. English lessons will develop each of the four skills as well as knowledge of scientific vocabulary

and grammar necessary to present their ideas in appropriate English.

PROGRAMME OUTCOMES

You will:

Understand how STEM subjects solve real-life problems Develop practical skills in and outside the lab. Demonstrate your skills in a supportive environment Improve your ability to work as part of a team

ACTIVITIES & EXCURSIONS

Half-day excursions have academic and cultural learning objectives that will inform and inspire the academic programme as well as familiarising students with one of the world's greatest cities. Evening activities are energetic, social & fun - highlights; a West End Musical, Disco and a comedy workshop. Weekend Excursions are stimulating with Saturday a mix of exploration and learning whereas Sunday is more relaxing.

COURSE INFORMATION

| CLASS SIZE: | Maximum 15 | AGE RANGE: | 14 - 17 | COURSE LENGTH: | 1 - 2 weeks |
|--|------------|--------------|---|----------------|---------------------|
| ACADEMIC REQUIREMENTS/ LANGUAGE LEVEL: | | START DATES: | 30/06/2024 (1 - 2 weeks) 07/07/2024 (1 - 2 weeks) 14/07/2024 (1 - 2 weeks) 21/07/2024 (1 week) | FEES: | £1,654.00 (per week |

| | WEEK 1 | | MORNING | | AFTERNOON | | EVENING |
|---|------------------------------------|-----------|---|---|---|---------------------------------|---|
| | | | 09.00 - 12.00 | | 13.00 - 16.30 | | 19.30 - 22.00 |
| | SUN | | Arrival at accommodation a | nd in | duction from house parents | | Orientation & Welcome party |
| - | MON | | Lesson & Experiments : LIGHTS CHEMISTRY - Chemicals and colours they produce - Chemical Testing through burning and reactions. Making the link between science & colour | | English Lessons | | Comedy Workshop |
| - | TUES | | Lesson & Experiments : CAMERA PHYSICS - Looking at Reflection, cameras and lenses - Mirrors, prisms, optical illusions and ray boxes | | Included Half Day Excursion: Trip to Greenwich by Boat | | Cinema night |
| | WEDS | BREAKFAST | Lesson & Experiments : ACTION BIOLOGY - Dissection of Heart and Microscopes - Looking and making cell slides and looking inside organs Understanding the important Humans involved in film | LUNCH | English Lessons | DINNER | Chill out evening |
| - | THUR | | Experiments: Harry Potter and Science General experiments that create illusions - eg fireworks, dry ice, fire | | Included Half Day Excursion: Science Museum | | Welcome Disco |
| | FRI | | CHALLENGE e.g. Present science from one of the experiments of the week & best experimental picture | | English Lessons | | Street Dance workshop |
| - | SAT | | Included Full Day Excursion: Cambridge, Walking Tour & an entrance to a Cambridge College | | | Project group work and relaxing | |
