West Vancouver Community Centre

COMMUNITY PARTNERSHIPS

Students at West Vancouver Schools can take advantage of great community partnerships with local organizations.

The 500-seat Kay Meek Theatre attached to West Vancouver Secondary School provides learning opportunities for the creative and performing arts.

The West Vancouver Community Centre offers facilities for fitness, swimming, ice-skating, crafts and more.

A CAPTIVATING NATURAL ENVIRONMENT

Summer temperatures are comfortable and allow opportunities for hiking, swimming, sailing and biking. Winter temperatures almost never fall below freezing within the city, but our location, near the Coast Mountains, allows many wintertime activities.

Cypress mountain is only 20 minutes from West Vancouver's town centre and is a great place for snow sports and amazing city views. Whistler is a top-rated skiing and snowboarding destination and is only a 90-minute drive away.

THE BEST PLACE IN THE WORLD

British Columbia, Canada's westernmost province, borders the Pacific Ocean. Vancouver is the third-largest city in Canada, with a population of more than two million, and consistently ranks as one of the top three most livable cities in the world. A combination of unspoiled natural beauty and urban sophistication makes the Vancouver area attractive to both tourists and international students.

West Vancouver, a waterfront city, is located in one of the most desirable places to live in Canada, thanks to its pleasant climate, sandy beaches, snow-capped mountains, safe neighbourhoods and easy access to downtown Vancouver. West Vancouver has the lowest crime rate of any urban centre in the country, with many beautiful neighbourhoods that are home to a highly educated professional population.

YOUR HOME AWAY FROM HOME

While studying in our programs, students are placed by our homestay team into Canadian homes. Homestay offers a truly unique experience: students are immersed in all that West Vancouver has to offer, develop lifelong friendships and accelerate their education through exposure to the English language at home and at school.

HOW TO APPLY

INTERNATIONAL STUDENTS

In Canada, the academic year runs from September to June, with short holidays in December and March. West Vancouver Schools' International Programs select a limited number of students each year. Students are admitted in September and February, but prospective students must apply well in advance to ensure they can be offered a seat in our program.
