Welcome to **Bucksmore Home Tuition**

What is home tuition?

On a home tuition course the student lives and learns at the home of their teacher. The entire programme, from accommodation to lessons, takes place in the relaxed and immersive environment of the teacher's home, with excursions to local places of interest.

Each student is carefully matched to their ideal teacher by our dedicated team. Courses are designed by our professional teachers to meet the academic needs of the student, enabling faster progress than in a traditional school environment.

Benefits of home tuition

- Teacher is completely focussed on the student (1-to-1)
- Personalised syllabus based on detailed needs analysis
- Timetable and syllabus adapted as the course progresses based on student development
- Students must always communicate in English
- Personalised activities and visits timetable for each student
- Complete integration to family life
