"My son had a great experience with InvestIN and said he was taught a number of things he has never learnt in school before. We chose this programme as he didn't want an academic programme but rather a practical one and for him that meant trading the markets and learning from successful investment bankers."

*Parent, the Young Investment Banker  
Summer Experience 2024*

"It was an incredible experience and my child thoroughly enjoyed learning about the financial industry from experienced professionals - he came home every day ecstatic with what he had done and excited for the next!"
