# COACHING PROGRAMMES

# DEVELOPMENT CAMP

## AGES 10-12

Grouped by age, young players improve their game under the guidance of Chelsea FC coaches, learning to master the skills and techniques for each position in a fun and engaging environment. The curriculum focuses on Chelsea's fast, attacking style of Football, with each day inspired by a different Chelsea First Team player.

Player development is supported through drills, skills challenges, and small-sided games. They develop independence and build self-confidence on and off the pitch, whilst making new friends from around the world.

# ADVANCED CAMP

## AGES 13-17

Set within world-famous English boarding schools, this popular programme challenges players to improve at every level. Grouped by age and ability, high-intensity daily training sessions focus on playing as a team in the Chelsea FC style whilst preparing to play competitive 11-a-side matches later in the week.

Players are also challenged on an individual level to improve technically and tactically through a series of pro-style drills, skills challenges and small-sided games. As well as learning what it takes to be part of a successful team, players make new friends from around the world and develop maturity

# PERFORMANCE CAMP

## AGES 15-17

Aimed at club-level players looking to transition to the senior game and experience a university campus, this programme takes players deeper into the tactical side of football. Chelsea FC coaches offer players an in-depth insight into how to improve individual performance.

Coaching is modelled on key elements of the Chelsea First Team's playing style with detailed technical drills reflecting in-game scenarios. Off the pitch, Chelsea FC introduces players to their talent identification process, educating them on what professional scouts look for in young players. Players are challenged in all aspects of their game in this all-round football experience.

# GOALKEEPER CAMP

## AGES 13-17

Specialist Chelsea FC goalkeeping coaches work with players on the physical and technical aspects of the position such as ball handling, positioning, and distribution. Each day comprises of one session of goalkeeper-specific training and one outfield session, equipping players with the skills needed for this position in the modern game. During the outfield session, players get the chance to put their skills into practice in game scenarios alongside players on the Advanced Camp.

# CHELSEA FC TRAINING CENTRE

## WHAT TO EXPECT

Every week, players experience what it's like to be a professional Chelsea FC player with a day of training at their official training centre.

Sessions focus on gameplay situations and encourage players to put the skills they've gained throughout the week into practice. During the day, Chelsea FC's expert staff team, together with occasional special guest speakers, inspire young players with knowledge and insight into the professional game.

# ENGLISH TEACHING

## WHAT TO EXPECT

Classes focus on football, harnessing students' passion for the subject to promote language learning in a fun and interactive environment. Using the CLIL (Content and Language Integrated Learning) model of English, qualified teachers infuse language learning into lively and active classes where sports-based projects, discussions and activities take centre stage.

Teachers guide students to improve their verbal communication skills while discussing legendary players, interviewing coaches, or writing and speaking their own match commentary. Learning is supported by English teachers living on-site and English is spoken at all times throughout the camp, creating an immersive learning environment.

## HOW IT WORKS

Students are grouped into classes based on a combination of age and ability. They complete a short online assessment before the camp starts and then speak with a teacher on arrival to ensure they are correctly placed for their level. At the end of the camp, each player receives a written report and advice on how to continue their learning at home.

## WHAT'S INCLUDED

-  UP TO 13 HOURS OF ENGLISH LESSONS PER WEEK
-  1:12 TEACHER TO STUDENT RATIO (AVERAGE)
-  INDIVIDUAL REPORT

# FOOTBALL WORKSHOPS

## OFF THE PITCH

Players taking the Total Football option follow a series of workshops and recovery activities throughout the camp.

Fun discussions introduce younger players on the Development Camp to topics that explore how Chelsea FC players excel on and off the pitch. Specialist staff and coaches deliver engaging workshops to players on the Advanced and Goalkeeper Camps, giving them an insight into what it takes to succeed at the highest level. Players on the Performance Camp further explore match tactics and the mental toughness needed to transition to the senior game.

Outside the classroom, recovery exercises, such as yoga, help players manage the physical intensity of training twice a day.
