Why Woodhouse Grove?

Woodhouse Grove School is an independent day and boarding school founded by the Methodist Conference in 1812, and providing a first-class all-round education for boys and girls.

Situated between Leeds and Bradford on a beautiful 70-acre campus with extensive grounds. Conveniently located with a train station opposite and only ten minutes from Leeds Bradford Airport and one hour from Manchester Airport.

We equip our pupils with the confidence to excel in a modern world and with the strength of character developed by their sustained exposure to challenges and experiences in a caring, nurturing and secure setting.

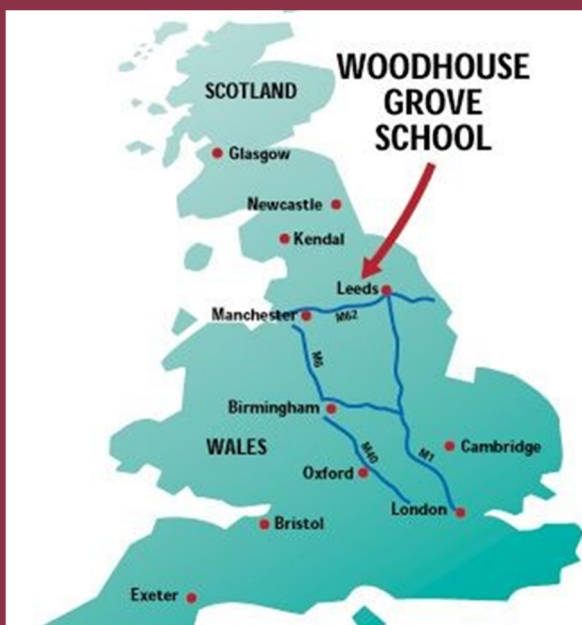

I am Grovian

Our summer immersion

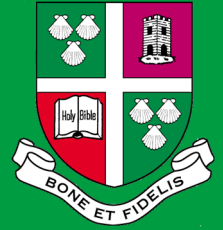

will give children the opportunity to experience life as a Grovian; to live in our community for 3 weeks and be exposed to British culture along with gaining a deeper understanding of the English Language.

Our unique location and fantastic facilities give us the opportunity to host an extensive and diverse activities and excursion programme, on-site and in the local area.

Meal times at Woodhouse Grove have always been a favourite part of our pupils' day and we are accustomed to catering for international boarders. Our beautiful dining hall combines a traditional setting with a modern, efficient serving area. Menus are varied and combine international food choices with more typical English dishes and there are always options available to cater for different preferences and dietary needs.

Our Programme includes:

- 3 weeks of academic lessons;
- 3 weeks full UK boarding experience;
- An extensive programme of evening and weekend activities;
- Weekend trips and excursions

Students will be supported by our experienced boarding team who will help them to settle in quickly and feel confident to fully immerse themselves in all aspects that the programme has to offer.
