

Experience Excellence in Faith-Based Education

Waterloo Region is a vibrant, safe, and innovative community—Ontario's hub for technology and education. At WCDSB, we provide a faith-based, inclusive education that nurtures academic excellence and personal growth. Students thrive in a supportive environment that prepares them for future success.

Why Choose Waterloo Region?

- ✓ Located in Southern Ontario, Canada.
- ✓ A mid-sized region with small-town charm & big-city amenities.
- ✓ Exposure to industry and innovation through specialized clubs.
- ✓ Safe and welcoming multicultural community.
- ✓ Ontario's hub for technology and academic excellence.

International Education Program

Our full-service model supports students with custodianship, homestay, school transportation, insurance, and personalized early intake. Students complete online assessments and course selection by June. A dedicated team of teachers, counselors, and administrators provide academic and personal support. Students also enjoy Orientation Week, weekend activities, and virtual social events to connect and feel at home. Comprehensive support ensures student success academically and socially.

Why Choose Ontario Schools?

- ✓ Highly trained and certified teachers.
- ✓ Governed by provincial curriculum and standards.
- ✓ Internationally recognized programs and certifications.
- ✓ Safe and welcoming multicultural community.
- ✓ Ontario's hub for technology and academic excellence.

Whether you're looking to boost your academics, explore new interests, or prepare for university in Canada or abroad, Waterloo Catholic schools offer the perfect balance of challenge, support, and inspiration.

Start your journey with us today!

Resurrection Catholic Secondary School

Located on the border of Kitchener and Waterloo—just five minutes from the University of Waterloo—Resurrection Catholic Secondary School is recognized for its excellence in academics, athletics, and the arts. The school delivers strong academic outcomes, with graduates highly regarded by top universities. Its modern, architecturally distinctive campus includes state-of-the-art learning spaces and one of the region's premier track and field facilities. Resurrection is a vibrant school community where students are supported to excel both inside and outside the classroom.

Population	1950 students (65 international)
Specialty Programs	PEAT Elite Athlete Training, SHSM in Arts, Business, Health & Wellness, Sports
AP Courses	English, Mathematics
Highlights	Vibrant, well-rounded school community with strong academic outcomes

St. Benedict Catholic Secondary School

Located in Cambridge, Ontario, St. Benedict Catholic Secondary School is known as the "Heart of the Community" and a leader in academic excellence. Home to the region's only Engineering Certificate Program, the school also offers diverse electives and a thriving arts program. With modern labs, studios, athletic spaces, and dedicated staff, St. Benedict fosters academic rigor, creativity, and global perspectives. Rooted in Catholic values and welcoming to all, it offers a supportive environment where international students can flourish and prepare for future success.

Population	2000 students (30 international)
Specialty Programs	Engineering Certificate Program, LEAP, International Certificate Program, SHSM in multiple fields
AP Courses	English, Mathematics
Highlights	Community-centered school with strong academics and technical, arts, and leadership opportunities

St. Mary's High School

Just minutes from Kitchener's vibrant city core, St. Mary's High School offers international students an exceptional academic journey in one of Ontario's most diverse and welcoming communities. Its modern campus features advanced science and technology labs, a triple gymnasium, chapel, theatre, and direct library access—giving students the tools and spaces they need to excel.

As one of the largest secondary schools in the Waterloo Catholic District School Board, St. Mary's pairs rigorous academics, including Advanced Placement courses, with Ontario's largest Specialist High Skills Major program—opening pathways to universities, colleges, and careers across Canada and beyond.

Dedicated ESL supports, an experienced international education team, and strong Catholic values create a welcoming environment for students of all faiths. Conveniently located near transit, cultural centres, and community resources, St. Mary's surrounds students with opportunities to learn, connect, and thrive—making it an ideal choice for international learners.

Population	2200 students (35 international)
Specialty Programs	International Certificate Program, SHSM in multiple fields AP Courses: English, French, Calculus, Biology, Physics
AP Courses	English, French, Calculus, Biology, Physics
Highlights	Large, modern campus with extensive academic, cultural, and leadership opportunities

St. David Catholic Secondary School

Located in Waterloo—just five minutes from the University of Waterloo—St. David Catholic Secondary School offers international students a welcoming environment within one of Canada's most dynamic academic regions. Known for its elite FIRST Robotics team, St. David is a leader in innovation and STEM education. As one of our smaller secondary schools, it fosters a close-knit community and personalized support, helping international students thrive academically and socially.

The school boasts a premier athletic complex with a rubberized track and professional grade turf field, supporting a wide range of sports. St. David is also home to a thriving Model United Nations team, giving students opportunities to develop global awareness, leadership, and diplomacy skills.

Population	1100 students (50 international)
Specialty Programs	French Immersion, FIRST Robotics, SHSM in Arts, Business, Health & Communications
AP Courses	Biology
Highlights	Small, supportive community ideal for international students seeking STEM opportunities

Monsignor Doyle Catholic Secondary School

Nestled just minutes from historic downtown Cambridge, Monsignor Doyle Catholic Secondary School offers students a rich academic journey with access to cultural and artistic Canadian treasures. The school's high expectations, award-winning teachers, modern facilities, elite Global Leadership Program, and community partnerships prepare graduates to thrive in a changing world.

With the University of Waterloo School of Architecture, cafés, eateries, galleries, and live performances in the nearby Gaslight District, students are surrounded by intellectual and artistic inspiration—making Monsignor Doyle an ideal place for curious minds to grow, connect, and thrive.

Population	1100 students (60 international)
Specialty Programs	Global Leadership Program, SHSM in Arts, Business, Construction, Health & Wellness, Sports
AP Courses	English, French
Highlights	High academic expectations with cultural and intellectual enrichment opportunities
