

# High School Academic Program

## NEW WESTMINSTER SECONDARY SCHOOL

New Westminster Secondary School (NWSS) is a public high school with a multicultural flavor common in the lower mainland of British Columbia. New Westminster Secondary School curriculum boasts a strong background in the areas of science, languages, and

arts. Students, both local and international, are prepared for a global world with their academic and cultural experience at NWSS.

NWSS features an abundance of clubs and sports teams for students to participate in. American football, basketball, swimming, band, choir, and dance are only a few of the many activities for students to explore while studying at NWSS.
