Headington Oxford

Ages: 13-16

English Level: B1+

Duration: 2 weeks

Course Objectives:

Improve English Language Skills; Develop Business Knowledge

A stepping stone to the world of business. Future Business Leaders is a 30-hour course in which students gain knowledge and practical experience of key concepts in international business. The course has been designed especially for 13 to 17 year-old students, and focuses on learning through interactive and communicative project work and team-building exercises.

This interactive course teaches the essentials of business through a fun and interactive project in which students create a product and pitch their creation to a panel of business moguls for investment. Students develop both their theoretical and practical knowledge of business practice and know-how.

Pitch Perfect: How to Make a Successful Business Pitch

Headington's Future Business Leaders will take part in an exciting two week project in which they devise and develop all aspects of a start-up business, including the branding, financial planning, marketing and operational structure. They will then pitch this start-up business to a panel of investors, who will choose the most credible and inspirational business to apply their funding to.

Through this fun and engaging teamwork project, Headington's Future Business Leaders will develop and apply their 21st century skills, such as critical thinking, communication skills, collaborative skills, and original thinking.
