

Academic Integration factsheet and sample week

Earlscliffe

Dates: 02 - 26 June 2024

Ages: 15-18 years

Lessons: 28 lessons per week (24 hours)

Minimum English level: B1+(Intermediate)

Price: £5,250

Earlscliffe is a leading, independent, international college with an excellent reputation. In June we offer a limited number of places to those looking for a fully integrated, academic programme within our traditional boarding environment.

'Earlscliffe is a great environment to study in. The students and staff were so welcoming and it made my short time very memorable. The teachers are very motivated and passionate about their subjects. There is a 'home-like' atmosphere at Earlscliffe which meant that I was never nervous or anxious and this allowed me to gain more confidence and improve my English, whilst experiencing what it is like to be a boarder.'

Leo, Germany

Our course is designed for international students (15-18 years) and provides a balanced curriculum of mathematics, humanities, sciences, and English language. Students also participate fully in our sports and cultural programme alongside their academic year peers.

Key factors:

- Academic subjects plus English language
- Sports and cultural activities
- High-quality, en-suite accommodation
- Fully integrated with academic year students
- A boarding school experience
- Month of June – during the English academic year
- Can be combined with one of our summer courses in July
